

## [Pikes Peak River Runners](#)

### Yampa River Campsite Notes

Check out photos of many river camps including this river at [whitewater campsites website](#).

Campsite	Notes
Anderson Hole	Good and high and low flows
Teepee	Bad and high and low flows
Ponderosa	Good at high flows
Big Joe	Bad and high and low flows
Harding 1	Fast landing, tight for boats at high water
Harding 2	Best Harding camp and beach, good at all flows
Harding 3	Rocky landing, bad camp
Harding 4	Underwater and high water, dark/shady camp, easy access to cave/overhang above camp
Mathers Hole	High bench, underwater at high water
Laddie Park 1	Overgrown at high water
Laddie Park 2	Wide open, good at high water
Box Elder 2	Not enough boat tie up space at high water, steep narrow path to high camp bench
Box Elder 3	Sheltered
Jones Hole 1	Tight for boats, ok at high water
Jones Hole 2	Bad at high water
Jones Hole 3	Bad/gone at high water
Jones Hole 4	Great at all water levels, farthest from trail upcanyon.
Compromise	Underwater at high water
Cove	Small eddy, steep bank
Big Island	Barren and can be buggy
Island Park	Nice at high water, can be buggy
